Two Very Special Golfers!

This year a group of Mahee Ladies travelled to Knightsbrook G C for their annual outing. During the two days they were blessed with good weather and from all accounts a great time was had by all.

Overall winner was May Orr with a very creditable 30pts on a

long and difficult course and special mention must also be given to Margaritte McClements who in her 80th year completed all 18 holes!! Well done to both.
